The image shows six staves of musical notation for a string instrument, labeled '3.' at the top. The notation is primarily sixteenth notes, with some eighth and sixteenth note pairs. The patterns become increasingly intricate, particularly in the later staves, where grace notes and slurs are used to create more complex rhythmic figures.

The staccato must be practised very slowly to begin with, detaching all notes evenly with a loose wrist, so that the bow does not quit the string. This is a sure way to learn this style of bowing well.

This stroke must be executed firmly near the point of the bow, and all the notes must be perfectly even in point of loudness, this evenness being attained by stronger pressure on the notes taken with up-bow, as these are naturally more difficult to emphasize than those with down-bow.
